#2 - “DNA IS NOT YOUR DESTINY” with ACTIVATION MEDITATION

DNA is our human blueprint and the information that creates our physical body. The challenge comes when some of that information gets out of sequence and misspelled though genetics, stress, toxins or validating misinformation put into our belief system. At this workshop, we will explore the question – Can we through conscious intention and the use of sound and vibration, correct some of these misspellings and therefore create a better quality of life. Furthermore, can we activate some of the 97% of unused DNA and access a higher intelligence?

Saturday, April 17, 10 am - Noon
2 Hour Workshop: Suggested Donation \$35

#4 – THE HEALING POWER OF SOLFEGGIO BODY TUNERS

A special focus will be placed on meridian lines and body acupressure points that you will be using to release the blockages. We will also explore activation of the five elements: Earth, Water, Fire Air and Ether with Body Tuners. These tools can be used on yourself or others. A great addition to any therapists tool kit.
