

3 Powerful Workshops - Knoxville Unity - August 6-8, 2010 with Sound Therapy Pioneer and Cultural Creative, David Hulse, D.D

If you are an individual wanting to learn self-healing techniques or a Massage Therapist, Body Worker, Energy Worker, Holistic Physician, you are not reading this by chance. These workshops will enhance your holistic growth! Choose the workshop(s) you resonate with and Register Today!

#1 –USING FREQUENCY TO AWAKEN ENERGY AND MANIFEST CHANGE!

Our subtle energy bodies connect us to fifth dimensional energy – the pure and original divine energy coming into our third dimensional experience. Using vibrational tools gives us a way to bypass the resistance of the human ego mind and its powerful collective belief systems. This will give us the power to be all that we have the potential to be and manifest the changes we want in our lives.

Friday, August 6, 7:00 PM – 8:30 PM
1.5 Hour Workshop: Suggested Donation: \$15

#2 – THE HEALING POWER OF SOLFEGGIO BODY TUNERS

In this exciting new workshop, you will learn how to use the exclusive SomaEnergetics BodyTuners to release energy blockages in the “physical” body. A special focus will be placed on meridian lines and body acupressure points that you will be using to release the blockages. We will also explore activation of the five elements: Earth, Water, Fire Air and Ether with Body Tuners. These tools can be used on yourself or others. A great addition to any therapists tool kit.

Saturday, August 7, 10 AM - 5 PM
\$99 Fee / Body Tuners sold separately
6 TN Massage CE Hours (NCBTMB Provider)

#3 - “DNA IS NOT YOUR DESTINY” with ACTIVATION MEDITATION

DNA is our human blueprint and the information that creates our physical body. The challenge comes when some of that information gets out of sequence and misspelled though genetics, stress, toxins or validating misinformation put into our belief system. At this workshop, we will explore the question – Can we through conscious intention and the use of sound and vibration, correct some of these misspellings and therefore create a better quality of life. Furthermore, can we activate some of the 97% of unused DNA and access a higher intelligence?

Sunday, August 8, 1:30 - 3:30
2 Hour Workshop: Suggested Donation \$35
